

GDPR and Track And Trace

In order to support the NHS Test and Trace programme, we are taking contact details for all visitors, as well as recording times entering and leaving St Etheldreda's church in The Uplands Group Of Churches.

In line with guidance issued by the Department for Health and Social Care, we will keep your details safely and in compliance with GDPR legislation for 21 days before securely disposing of or deleting them. We will only share your details with NHS Test and Trace, if asked, in the event that it is needed to help stop the spread of coronavirus.

We will not use your details for any other purposes or pass them on to anyone else.

If you agree to provide your information for this reason, please complete the following form, without it we will have to ask you to continue to worship at home. You will only need to complete this form in advance of your first visit to church.

Thank you for your understanding.
